WHAT READERS WILL LEARN

Preparation replaces pressure.

01
Read the local market

02
Compare neighborhoods

03
Evaluate new construction

04
Build an offer strategy

05
Position a home for sale

06
Analyze investment assumptions

WHO IT SERVES

Buyers, sellers, relocators, and investors.

The same market can look very different depending on the decision you face.

The book helps you examine it from your own position.
