Before this is used publicly

1. **eXp review.** Letterhead, cards, cover and signature are marketing materials; send them through eXp ad review (C.A.R.L.O.) before use.
2. **eXp Luxury.** Not used for now. When you are approved for the Luxury program, ask luxury@exprealty.net for the official logo files and usage rules; the layouts are ready for it.
3. **Production claims.** No sales totals (for example “1000 homes sold”) are used. Any such figure needs a verifiable number and an as-of date from your records before it appears in print.
4. **Wording.** “Real Estate Strategist” and “Author of The Surprise Advantage” are used instead of superlatives like “genius,” which regulators and readers distrust.
5. **Logo quality.** Your monogram file is small (181 px wide). It looks sharp on screen but soft at card size in print. Please send the original high-resolution logo for the print shop.
6. **Brokerage line.** The footer uses “Phillip Williams Real Estate Group | Brokered by eXp Realty” and eXp Realty, LLC license LC634213000; please confirm both.
